## **Editor's Message**

Our next meeting is Ash Wednesday, March 1st, 2017 AT \*\*7 P.M.\*\* (DOORS OPEN 6 P.M.)! Scott Douglas will present a PPT from the North Shore Numismatic Society on *Income Tax & Coin Collecting*. Here's wishing all our members, families and friends a super 2017!

**IMPORTANT STEPS FOR MARCH MEETING:** ensure if you have not yet replied, that you let Scott know if you are attending our Anniversary Dinner in April. If you have not yet renewed for 2017, be sure to do so, the April dinner is for PAID UP members, and you won't want to miss out on the surprises your executive has planned for this event!!! Buy a Daytona ticket at our March meeting, there is still one \$90-95 prize in play.

There are many positive changes to the Ontario Numismatic Convention (Friday, April 21 -April 23, 2017). The main registration kit has dropped back to \$25, banquet tickets have been reduced to \$35 (Scott Hopkins is the Keynote Speaker, Rick Dupuis is our Master of Ceremonies), and the ONA promises a big increase in the number of banquet door prizes. Scott Douglas is organizing another terrific Educational Symposium (Ron Cheek, Steve Bell and Mike Hollingshead). Once again there will be fun kids events too! This year we have new exhibit categories, and updated rules. Registrations are now available, watch ONA website for more convention updates at <http://www.the-ona.ca/>. Congratulations to Scott Douglas the NEW incoming President and Lisa McPherson the NEW incoming 1st Vice-President of the ONA to be confirmed at the ONA Annual General Meeting held Sat. Apr. 22nd. Nominations will be called from the floor at the ONA AGM for 2nd VP.

**Bring along a friend or two to our next meeting, share the FUN and LAUGHTER!!**

On November 12, 2013, the Central Bank of Ireland issued a new €20 gold coin that depicts one of the country's most famous medieval landmarks. The coin features the Rock of Cashel, the traditional seat of the kings of Munster.

The Irish Bank will only issue 10,000 pieces of this gold coin, which was designed by renowned artist Mary Gregority. Over the last couple of years the Central Bank of Ireland has been developing collectors coins that feature the country's history. In 2012 they also produced a coin that honoured the Book of Kells.

### Stewart Munn Thomson

.....that a Brantford, Ontario collector of 'Coins, Tokens and Birds' would go down in Canadian history as a major force in establishing the Children's Aid Society?

Stewart Munn Thomson was born in Dumbartonshire, Scotland on December 21, 1844. Thomson learned the business of being a tailor from his father. Thomson went to Glasgow to work as a tailor but returned home to Dumbartonshire upon the death of his father in 1867 to take charge of the family business there.

In 1871 Thomson came to Canada and after remaining a short time, first in Hamilton and then in Paris, Ontario, settled down in Brantford working as a cutter for Ignatius Cockshutt a well-established mercantile trader. Cockshutt had worked for his father for several years before setting up his own business along with his sister in 1840. Thomson stayed with Mr. Cockshutt until he retired from business in 1882. Thomson took this opportunity to establish his own tailoring business.

Thomson was an elder for the Zion Presbyterian Church and an avid worker for Sunday school. Thomson was President of the Y.M.C.A. from 1888-1890, President of the Bible Society and a member of the Board of School Trustees for a period of ten years holding the position of chairman for two of those years.

Thomson eventually gave up his tailoring business around 1894 in favour of devoting his time entirely for neglected children. He was a prominent officer of the Children's Aid Society and acted without remuneration for a cause he believed in wholeheartedly. As a result of his tireless efforts for the Society he is credited with establishing the Children's Aid Society in Belleville, Ontario as well as contributing heavily as the secretary and agent of the Children's Aid Society in Brantford, a position he held from 1894 until his death. Thomson became seriously ill in 1907 and in January of 1910, while walking to the bank on Society business, he collapsed and died of a heart attack.

Thomson joined the American Numismatic Association in October 1902 and was assigned number 446. His support for membership came from Jeremiah Gibbs of Hamilton, Ontario. Gibbs was the 2nd Vice President of the American Numismatic Association at the time of Thomson's application.

Stewart Thomson's token was made by J.K. Cranston of Galt, Ontario in 1902.  
200 pieces were struck in copper.
